How close can my dock be to my side lot line?	9.1m (30')	Varies from 6m(19.7') to 20m(65.5') depending on lot frontage
Do I have enough frontage for a boathouse?	No minimum frontage requirement	Minimum frontage required is 60m (197')
How long can my single-storey boathouse be?	15.2m (50')	11m (36')
How wide can my single-storey boathouse be?	16% of frontage (max. of 22.9m/75')	11m (36') or if you have >160m (525') frontage, 15m (49')
Is a second storey permitted on my boathouse?	Possibly, if you have at least 91.4m (300') of frontage	Possibly, if you have at least 90m (295') of frontage

PERMITTED SHORELINE DEVELOPMENT DEPENDS ON:

- ◆ Lot size and amount of frontage
- ◆ Property zoning and related requirements
- ◆ Existing buildings and lot coverage
- ◆ Location of current and proposed buildings and structures
- ◆ Lake category
- ◆ Other factors that may vary by property
